

Distance Learning Packet #1  
March 25-27th

- Worksheets (A,E & I)- Complete the front and backside of each worksheet! Designed to be one 2 sided worksheet per day! I included a number writing direction sheet - if it is NOT too frustrating for you child, work on correct number formation (starting from the top to the bottom, etc.)
- Journal Page - Draw a picture of your family. Write in your kinder writing or dictate to your parent What you love most about your family
- Number Cards -
  - Put your number cards in order 0 - 10. Remember, we read from left to right, so they must go in order.
  - Have your older sibling or parent give you a number between 10-30. Put the 2 numbers together to make the number they call out. For example... "Twenty three" student puts the 2 next to the 3, to make the number 23!
  - If your child is ready for more, use the cards to do simple math problems. (ie.  $2 + 3 = 5$  or  $4 - 1 = 3$ )
- Kindness Book - Color the book and read it every day, using your finger to point to the words on the page. By the end of the week, your kiddo should be able to read the book all by themselves!
- Cut out the heart and decorate it if you wish! Stay on the lines and do your best cutting.
- Blue Letter Page. Use your playdough and roll it like a snake to make the letters of the week, using the letter on the blue page as a template! (I will demo on the first You Tube Video)
- Mrs. Silvaer and Ms. Rowland will be including an at home craft for the kiddos each week!
- Last, Keep the LARGE white letter pages to do rainbow letter practice with me on the YouTube videos!

Text me pictures of all the completed work with a picture of my smiling TVLCP student! We miss them terribly! You can also return the worksheets and journal pages when you come to pick up the next packet, as well! I would love to see a video of them reading their book each week! I will be sure to respond (hopefully in a timely manner!) I would love to stay connected!! My cell phone number is 520-471-8407 and I will share the pictures and videos with Mrs. Silvaer if you are a giraffe or Ms. Rowland if you are an owl!!

Check out the school You Tube page for our class learning videos!

Distance Learning Packet #2  
March 30 - April 3

- Worksheets - Complete the front and backside of each worksheet! Designed to be one 2 sided worksheet per day - no work on Fridays!
- Journal Page - Draw a SELF portrait. Dictate or write in your kinder writing, why you are special.
- Hi-Five Site words! Tape the hand die cuts to the door and have your child give the hand a Hi-five and say the word on the hand, each time they walk through the door (or on a wall?!). If your child is still learning most of their letters, flip the hand over and write the letters they consistently miss to help them learn those letters!
- Zoo Book - Color the book and read it every day, using your finger to point to the words on the page. By the end of the week, your kiddo should be able to read the book all by themselves!
- Cut out the circle and triangle and decorate it if you wish! Stay on the lines and do your best cutting and then use your imagination to turn it into something new.
- Blue Letter Page. Use your small beans and place them on the black lines to make the letters of the week (I will demo on the first You Tube Video)
- Mrs. Silvaer and Ms. Rowland will be including an at home craft for the kiddos each week!
- Last, Keep the LARGE white letter pages to do rainbow letter practice with me on the YouTube videos!

### Distance Learning Packet #3

April 6-10th

- Worksheets - Complete the front and backside of each worksheet! Designed to be one 2 sided worksheet per day - no work on Fridays!
- Journal Page - Draw an Easter picture. Dictation - How do you celebrate Easter?
- Hi-Five Sight words! Tape the hand die cuts to the door and have your child give the hand a Hi-five and say the word on the hand, each time they walk through the door (or on a wall?!). If your child is still learning most of their letters, flip the hand over and write the letters they consistently miss to help them learn those letters!
- Easter Book - Color the book and read it every day, using your finger to point to the words on the page. By the end of the week, your kiddo should be able to read the book all by themselves!
- Cut out the oval and rectangle and decorate it if you wish! Stay on the lines and do your best cutting and then use your imagination to turn it into something new.
- Blue Letter Page. Use your play doh, beans, or pasta and place them on the black lines to make the letters of the week (Demo on the YouTube video to be posted 4/6)
- Mrs. Silvaer and Ms. Rowland crafts!! Cut out the pieces on the green construction paper. Use the ½ plates and the butterfly body to make a butterfly! Decorate the wings however you would like. Use the paper plate, the green stem and leaves to make a spring flower! (Demo on the You Tube video to be posted 4/6)
- Last, Keep the LARGE white letter pages to do rainbow letter practice with me on the YouTube videos!

## Distance Learning Packet #4

April 13-17th

- Worksheets - Complete the front and backside of each worksheet! Designed to be one 2 sided worksheet per day - no work on Fridays!
- Journal Page - Draw a picture of you with your Dad (or special male figure in your life) The top says MY \_\_\_\_\_ , so that your kiddo can write Dad or Grandpa or Uncle, etc. Dictation - Why is this person special?
- Popsicle Stick Color Sight words! Put the sticks in a mug or cup and practice pulling them out, reading the words! Check to see if you are correct with the color dot on the bottom of the stick.
- Butterfly Book - Color the book and read it every day, using your finger to point to the words on the page. By the end of the week, your kiddo should be able to read the book all by themselves!
- Cut out the parallelogram and square and decorate it if you wish! Stay on the lines and do your best cutting and then use your imagination to turn it into something new.
- Blue Letter Page. Use your play doh, beans, or pasta and place them on the black lines to make the letters of the week (Demo on the YouTube video to be posted 4/13)
- Mrs. Silvaer and Ms. Rowland crafts!! Wrap the spool with yarn, glue on the eyes, and wings. Wrap the pipe cleaner around the bug to make antennas! Science Project Butterfly - Make a ring with preferable a black or brown marker in the center of the coffee filter, fold the the coffee filter in half, and in half, and in half, then place the triangle point in a small cup of water! Let it sit and check on the colors as they move through the filter. Take out the filter and let it dry. Twist the pipe cleaner around the center to make a body and antennae! DEMO ON YOU TUBE POSTED 4/13
- Last, Keep the LARGE white letter pages to do rainbow letter practice with me on the YouTube videos!
