Who is the most important person in the world?

What is the most beautiful thing you have ever seen?

What makes you happy?

What is your favorite holiday and why?

What is your favorite color and why?

What would you like to learn to do?

What is your favorite thing to do at preschool?

What is your favorite toy at preschool?

Who are your special friends?

What do you like to do on your birthday?

Why does Jesus Love you so much?

When you grow up, what do you want to be?
